APPEAL 17A-UI-07350-JCT

**ADMINISTRATIVE LAW JUDGE
DECISION**

**IOWA WORKFORCE DEVELOPMENT
DEPARTMENT**

OC: 12/25/16
Claimant: Appellant (1)

Iowa Code § 96.6(1) – Filing Claims

Iowa Admin. Code r. 871-24.2(1)h(1), (2) – Backdating

STATEMENT OF THE CASE:

Claimant filed a timely appeal from the July 17, 2017, (reference 01) unemployment insurance decision that denied the request to backdate the claim for benefits prior to July 9, 2017. After due notice was issued, a hearing was scheduled to be held by telephone conference call on August 7, 2017. Claimant participated. Emily Askvig, human resources supervisor at Hagie Manufacturing, also testified. Claimant Exhibit A was admitted into evidence. The administrative law judge took official notice of the administrative records including the fact-finding documents. Based on the evidence, the arguments presented, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

ISSUE:

May the claim be backdated prior to July 9, 2017?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: The claimant filed a claim for benefits with an effective date of December 25, 2016, and an additional claim date effective July 9, 2017, and desires to backdate the claim to July 2, 2017. The claimant was temporarily laid off from work at Hagie Manufacturing from July 2 through 8, 2017. He was unable to complete his weekly claim when he attempted to file it on Saturday, July 8, 2017. The claimant believed his claim was “active for one year”, and unaware that a break in reporting would require him to establish an additional claim before he could file his weekly continued claim on Saturday.

The department has not failed to recognize the expiration of the claimant’s previous benefit year and there is not an interstate claim against another state which has been determined as ineligible.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes the claimant's request to backdate the claim is denied.

Iowa Code § 96.6-1 provides:

1. Filing. Claims for benefits shall be made in accordance with such regulations as the department may prescribe.

Effective Wednesday, July 12, 2017, for claims effective July 16, 2017:

Iowa Admin. Code r. 871-24.2(1)h(1) and (2) provide:

Procedures for workers desiring to file a claim for benefits for unemployment insurance.

(1) Section 96.6 of the employment security law of Iowa states that claims for benefits shall be made in accordance with such rules as the department prescribes. The department of workforce development accordingly prescribes:

h. Effective starting date for the benefit year.

(1) Filing for benefits shall be effective as of Sunday of the current calendar week in which, subsequent to the individual's separation from work, an individual files a claim for benefits.

(2) The claim may be backdated prior to the first day of the calendar week in which the claimant does report and file a claim for the following reasons:

1. The failure of the department to recognize the expiration of the claimant's previous benefit year;
2. The claimant filed an interstate claim against another state which has been determined as ineligible.

The October 2016 and June 2017, versions of the *Unemployment Insurance Benefits Handbook*, provides in pertinent part at pages 13 and 14:

CLAIM EFFECTIVE DATE

The effective date of all UI claims, regardless of filing method, will be the Sunday of the week in which the application was filed.

and

REACTIVATING A CLAIM

An individual can start and stop claiming weekly benefits as many times as necessary during the benefit year. This is called a break in reporting status. Any break in reporting requires the individual to file another initial claim application during the week he/she wants to start collecting benefits again. Any employment during the break must be reported.

Elsewhere in the June 17, 2017, version of the handbook at page 8, contact information includes days and hours for filing a claim and weekly claim reporting:

File a Claim

Hours: Monday through Friday, 8:00 am to 4:30 pm
www.iowaworkforcedevelopment.gov
<https://uiclaims.iwd.iowa.gov/UIInitialClaim/>

Weekly Claim Reporting

Hours: Saturday 9:00 am through Sunday 11:30 pm
www.iowaworkforcedevelopment.gov

The claim filing information was not included in the October 2016, handbook.

The claimant seeks to backdate his claim to July 2, 2017. While the claimant may have presented reasons for backdating that would have previously been considered “sufficient grounds” to grant the request, effective July 12, 2017, Iowa Admin. Code r. 871-24.2(1)*h*(1) and (2) allows backdating for only the two reasons cited above. Neither of those reasons applies in this case. Accordingly, the backdating request must be denied.

DECISION:

The July 17, 2017, (reference 01) unemployment insurance decision is affirmed. The claimant’s request to backdate the claim is denied.
