

**IOWA WORKFORCE DEVELOPMENT
UNEMPLOYMENT INSURANCE APPEALS**

SOUNTHONE LOVANH

Claimant

APPEAL NO. 20A-UI-05958-B2T

**ADMINISTRATIVE LAW JUDGE
DECISION**

ROCKWELL COLLINS INC

Employer

OC: 03/29/20

Claimant: Appellant (1)

Iowa Code § 96.6-2 – Timeliness of Appeal

Iowa Code § 96.3-7 – Recovery of Overpayment of Benefits

STATEMENT OF THE CASE:

Claimant filed an appeal from the May 29, 2020, reference 02, decision that denied benefits. After due notice was issued, a hearing was held on July 17, 2020. The claimant did participate. Employer failed to respond to the hearing notice and did not participate.

ISSUES:

Whether the appeal is timely?

Whether claimant is overpaid unemployment insurance benefits?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: A decision was mailed to the claimant's last known address of record on May 29, 2020. Claimant did receive the decision. The decision contained a warning that an appeal must be postmarked or received by the Appeals Section by June 8, 2020. The appeal was not filed until June 12, 2020, which is after the date noticed on the disqualification decision. Claimant stated that he does not have experience with the filing for unemployment and therefore did not realize the necessity to file in a timely basis.

Claimant has received state unemployment benefits in this matter of \$4,000.00.

Claimant has received Federal Pandemic Unemployment Compensation benefits in this matter of \$4,800.00.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 96.6(2) provides, in pertinent part:

The representative shall promptly examine the claim and any protest, take the initiative to ascertain relevant information concerning the claim, and, on the basis of the facts

found by the representative, shall determine whether or not the claim is valid, the week with respect to which benefits shall commence, the weekly benefit amount payable and its maximum duration, and whether any disqualification shall be imposed. . . . Unless the claimant or other interested party, after notification or within ten calendar days after notification was mailed to the claimant's last known address, files an appeal from the decision, the decision is final and benefits shall be paid or denied in accordance with the decision.

The ten calendar days for appeal begin running on the mailing date. The "decision date" found in the upper right-hand portion of the representative's decision, unless otherwise corrected immediately below that entry, is presumptive evidence of the date of mailing. *Gaskins v. Unempl. Comp. Bd. of Rev.*, 429 A.2d 138 (Pa. Comm. 1981); *Johnson v. Board of Adjustment*, 239 N.W.2d 873, 92 A.L.R.3d 304 (Iowa 1976).

Pursuant to rules Iowa Admin. Code r. 871-26.2(96)(1) and Iowa Admin. Code r. 871-24.35(96)(1), appeals are considered filed when postmarked, if mailed. *Messina v. IDJS*, 341 N.W.2d 52 (Iowa 1983).

The record in this case shows that more than ten calendar days elapsed between the mailing date and the date this appeal was filed. The Iowa Supreme Court has declared that there is a mandatory duty to file appeals from representatives' decisions within the time allotted by statute, and that the administrative law judge has no authority to change the decision of a representative if a timely appeal is not filed. *Franklin v. IDJS*, 277 N.W.2d 877, 881 (Iowa 1979). Compliance with appeal notice provisions is jurisdictional unless the facts of a case show that the notice was invalid. *Beardslee v. IDJS*, 276 N.W.2d 373, 377 (Iowa 1979); see also *In re Appeal of Elliott*, 319 N.W.2d 244, 247 (Iowa 1982). The question in this case thus becomes whether the appellant was deprived of a reasonable opportunity to assert an appeal in a timely fashion. *Hendren v. IESC*, 217 N.W.2d 255 (Iowa 1974); *Smith v. IESC*, 212 N.W.2d 471, 472 (Iowa 1973). The record shows that the appellant did have a reasonable opportunity to file a timely appeal.

The administrative law judge concludes that failure to file a timely appeal within the time prescribed by the Iowa Employment Security Law was not due to any Agency error or misinformation or delay or other action of the United States Postal Service pursuant to Iowa Admin. Code r. 871-24.35(2). The administrative law judge further concludes that the appeal was not timely filed pursuant to Iowa Code Section 96.6-2, and the administrative law judge lacks jurisdiction to make a determination with respect to the nature of the appeal. See, *Beardslee v. IDJS*, 276 N.W.2d 373 (Iowa 1979) and *Franklin v. IDJS*, 277 N.W.2d 877 (Iowa 1979).

Claimant has received state unemployment benefits in this matter of \$4,000.00. These benefits are overpayments.

Claimant has received Federal Pandemic Unemployment Compensation benefits in this matter of \$4,800.00. Claimant is not eligible to receive these benefits.

Note to Claimant: Even though claimant is not eligible for regular unemployment insurance benefits under state law, he may be eligible for federally funded unemployment insurance benefits under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"), Public Law 116-136. Section 2102 of the CARES Act creates a new temporary federal program called Pandemic Unemployment Assistance (PUA) that in general provides up to 39 weeks of unemployment benefits. An individual receiving PUA benefits may also receive the \$600 weekly

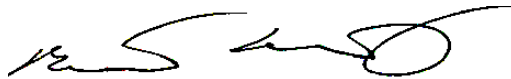

benefit amount (WBA) under the Federal Pandemic Unemployment Compensation (FPUC) program if he or she is eligible for such compensation for the week claimed. **You will need to apply for PUA to determine your eligibility under the program.** Additional information on how to apply for PUA can be found at <https://www.iowaworkforcedevelopment.gov/pua-information>.

DECISION:

The May 29, 2020, reference 02, decision is affirmed. The appeal in this case was not timely, and the decision of the representative remains in effect.

Claimant has received state unemployment benefits in this matter of \$4,000.00. These benefits are overpayments.

Claimant has received Federal Pandemic Unemployment Compensation benefits in this matter of \$4,800.00. Claimant is not eligible to receive these benefits.
