SECTION: 24.1-113

DECISION

UNEMPLOYMENT BENEFITS ARE DENIED

The Employer appealed this case to the Employment Appeal Board. Two members of the Employment Appeal Board reviewed the entire record. The Appeal Board finds the administrative law judge's decision is correct. The administrative law judge's Findings of Fact and Reasoning and Conclusions of Law are adopted by the Board as its own. The administrative law judge's decision is **AFFIRMED**.

We note that today we only decide the question of the separation. The issue of ability to work has been remanded and the outcome of those remand proceedings will determine the whether the Claimant is able and available for work, which is a separate and independent requirement for collecting benefits.
