APPEAL 20A-UI-05846-JE-T
**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 03/29/20
Claimant: Appellant (1)

Iowa Admin. Code r. 871-24.23(10) – Approved Leave of Absence
Iowa Code § 96.4(3) – Ability to and Availability for Work
Iowa Admin. Code r. 871-24.23(26) – Able & Available – Availability Disqualifications
Iowa Code § 96.3-7 – Overpayment
PL 116-136 Section 2104 (B) – Federal Pandemic Unemployment Compensation

STATEMENT OF THE CASE:

The claimant filed a timely appeal from a representative's decision dated June 9, 2020 (reference 01) that determined she was not able and available for work. The claimant participated in the hearing on July 16, 2020. Heather Jordan, Human Resources Generalist, participated in the hearing on behalf of the employer.

ISSUES:

The issues are whether the claimant is available for work, whether the claimant is on an approved leave of absence, whether the claimant was overpaid benefits, and whether the claimant is eligible for Federal Pandemic Unemployment Compensation.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds that: The claimant was hired as a full-time school counselor for Linn Mar Community School District on August 11, 2009. She was on an unpaid leave of absence during the entire 2019-2020 school year.

The claimant was laid off from her part-time jobs at Get Fresh and Venue Works due to COVID-19.

The claimant filed for unemployment insurance benefits with an effective date of March 29, 2020. Her weekly benefit amount was determined to be \$545.00. The claimant has received benefits in the amount of \$4,905.00 for the nine weeks ending May 30, 2020. She also received \$5,400.00 in Federal Pandemic Unemployment Compensation for the nine weeks ending June 2, 2020.

REASONING AND CONCLUSIONS OF LAW:

In order to receive regular unemployment insurance benefits under Chapter 96 of the Iowa Code, a totally unemployed claimant must establish he or she is able to and available for work. Iowa Code § 96.4(3).

In this case, the claimant was totally unemployed from the school district. So the issue is whether she is able to and available for work.

Iowa Admin. Code r. 871-24.23(10) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(10) The claimant requested and was granted a leave of absence, such period is deemed to be a period of voluntary unemployment and shall be considered ineligible for benefits for such period.

The employer had work available for the claimant. However, the claimant informed the employer before the beginning of the school year she was unable to work due to her child's mental health needs. The employer agreed to allow the claimant time off for that reason. The claimant has not established she is able to and available for work for the school district, even under the United States Department of Labor's guidance to flexibly interpret this requirement. See Unemployment Insurance Program Letter No. 10-20.

The claimant is considered to be on a leave of absence due to her child's mental health needs and is not available for work with the school district. Therefore, the claimant is not eligible for regular, state-funded unemployment insurance benefits.

Even though the claimant is not eligible for regular unemployment insurance benefits under state law, she may be eligible for federally funded unemployment insurance benefits under the Coronavirus Aid, Relief, and Economic Security Act ("Cares Act"), Public Law 116-136. Section 2102 of the CARES Act creates a new temporary federal program called Pandemic Unemployment Assistance (PUA) that in general provides up to 39 weeks of unemployment benefits. An individual receiving PUA benefits may also receive the \$600 weekly benefit amount (WBA) under the Federal Pandemic Unemployment Compensation (FPUC) program if he or she is eligible for such compensation for the week claimed. The claimant does not have to be able and available for work to be eligible for the federal unemployment programs. The claimant must apply for PUA, as noted in the instructions provided in the "Note to Claimant" below.

The next issue is whether the claimant was overpaid unemployment insurance benefits.

Iowa Code section 96.3(7)a-b, as amended in 2008, provides:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

The claimant received unemployment insurance benefits. This was during the period of time the claimant has been determined to be ineligible to receive benefits. This decision denies benefits. If this decision becomes final or if the claimant is not eligible for PUA, she may have an overpayment of benefits.

The final issue is whether the claimant is eligible for or overpaid Federal Pandemic Unemployment Compensation. The administrative law judge finds that she is overpaid those benefits.

PL116-136, Sec. 2104 provides, in pertinent part:

(b) Provisions of Agreement

(1) Federal pandemic unemployment compensation.--Any agreement under this section shall provide that the State agency of the State will make payments of regular compensation to individuals in amounts and to the extent that they would be determined if the State law of the State were applied, with respect to any week for which the individual is (disregarding this section) otherwise entitled under the State law to receive regular compensation, as if such State law had been modified in a manner such that the amount of regular compensation (including dependents' allowances) payable for any week shall be equal to

(A) the amount determined under the State law (before the application of this paragraph), plus

(B) an additional amount of \$600 (in this section referred to as "Federal Pandemic Unemployment Compensation").

....

(f) Fraud and Overpayments

(2) Repayment.-- In the case of individuals who have received amounts of Federal Pandemic Unemployment Compensation to which they were not entitled, the State shall require such individuals to repay the amounts of such Federal Pandemic Unemployment Compensation to the State agency...

The claimant has been disqualified from receiving regular unemployment insurance benefits. The claimant has received Federal Pandemic Unemployment Compensation. If this decision becomes final or if you are not eligible for PUA, you may have an overpayment of benefits.

DECISION:

The June 9, 2020. (reference 01) unemployment insurance decision is affirmed. The claimant is not able to work and available for work effective March 29, 2020. Regular unemployment insurance benefits funded by the state of Iowa are denied until such time as the claimant is able to and available for work.

The claimant has received unemployment insurance benefits and Federal Pandemic Unemployment Compensation. This decision denies benefits. If this decision becomes final or if you are not eligible for PUA, you may have an overpayment of benefits.
