871 IAC 24.9 - Redetermination

**STATEMENT OF THE CASE:**

An appeal was filed from an unemployment insurance decision dated September 30, 2013, reference 02. A hearing was scheduled for November 13, 2013. Prior to the hearing being held, the Agency redetermined the case in the claimant's favor by lifting the voluntary quit disqualification, which eliminates the need for a hearing.

**FINDINGS OF FACT:**

The Agency redetermined the case in the claimant's favor on the issue that he appealed by determining the claimant had earned 10 times his weekly benefit after separating from the employer, which eliminates the need for a hearing.

**REASONING AND CONCLUSIONS OF LAW:**

871 IAC 24.9 permits the Department to redetermine an issue based on new information. The Agency redetermined the case in the claimant's favor on the issue that he appealed, which eliminates the need for a hearing.

**DECISION:**

The unemployment insurance decision dated September 30, 2013, reference 02, is modified. The Agency redetermined the case in the claimant's favor on the issue that he appealed.
