871 IAC 26.8(1) – Withdrawal of Appeal

**STATEMENT OF THE CASE:**

An appeal was scheduled in this case for September 1, 2009. Prior to that date it was determined no hearing was necessary.

**ISSUE:**

The issue is whether the appeal was properly scheduled.

**FINDINGS OF FACT:**

An appeal was filed by another employer from a different decision. Due to an error this appeal was scheduled with the wrong employer and the wrong decision date and reference number and on a prior claim.

**REASONING AND CONCLUSIONS OF LAW:**

The issues in this matter are not contested by Affina, and therefore no hearing is necessary.

**DECISION:**

The representative's decision of August 13, 2008, reference 01, is affirmed and the appeal is dismissed as it was scheduled by Iowa Workforce Development Appeal Section in error.
