871 IAC 25.16 - Income Tax Offset

STATEMENT OF THE CASE:

The claimant appealed an unemployment insurance decision dated January 30, 2006, reference 01, that notified the claimant that Iowa Workforce Development was requesting withholding of her Iowa income tax refund to apply to an outstanding overpayment of unemployment insurance benefits. A telephone hearing was scheduled for February 22, 2006. The claimant failed to participate in the hearing.

FINDINGS OF FACT:

The claimant has an outstanding overpayment of unemployment insurance benefits totaling \$156.00, which was the result of a decision dated April 17, 2002, disqualifying the claimant based on her separation from the United States Postal Service and an overpayment decision

dated April 30, 2002. The claimant has not made any attempt to repay the overpayment of benefits within the last six months.

REASONING AND CONCLUSIONS OF LAW:

The issue in this case is whether the Agency has the authority to recoup the overpayment of unemployment insurance benefits through offset against the claimant's Iowa income tax refund.

871 IAC 25.16 provides:

State payment offset. An individual who is owed a payment from the state of at least \$50 and owes an overpayment of benefits of at least \$50 is subject to an offset against the individual's payment from the state to recover all or a part of the individual's overpayment of benefits and to reimburse the department of revenue and finance for administrative costs to execute the offset. All overpayments, whether fraud or nonfraud, are included in this process.

(1) If the individual has made no attempt to repay the overpayment of benefits within the preceding six months, the individual's name and social security number are given to the department of revenue and finance.

(2) The department of revenue and finance notifies the department that an overpaid individual is owed a payment from the state. The department then notifies the overpaid individual of the potential offset against the individual's payment from the state.

(3) In the case of a joint or combined income tax filing, the individual has ten days from the postmark date on the decision to request a split of the refund to ensure the other party's portion of the refund is not offset. When a request is made, the department notifies the department of revenue and finance to make the split. The department then notifies the overpaid individual of the amount of the offset. If the request for split of the refund is not made timely, the entire income tax refund becomes subject to offset.

(4) Any appeal by the individual is limited to the validity of job service's authority to recoup the overpayment through offset.

(5) In the event that the amount of the offset exceeds the remaining overpayment, the department shall issue to the individual a special check equal to the amount of the excess.

This rule is intended to implement Iowa Code sections 96.11 and 421.17(26,29).

Based on this rule and the statute cited, the Agency has the authority to recoup the overpayment of benefits by offset against the claimant's Iowa state income tax refund. The outstanding overpayment is more than \$50.00, and no effort has been made to repay the overpayment within the last six months.

DECISION:

The unemployment insurance decision dated January 30, 2006, reference 01, is affirmed. The Agency has the authority to recoup the overpayment of benefits by offset against the claimant's Iowa state income tax refund.
