(Decision Dated & Mailed)

Section 96.4-3 – Work Search

STATEMENT OF THE CASE:

Carol Reed (claimant) appealed a representative's August 24, 2004, decision (reference 01) that concluded she had made fewer than the required two in-person job contacts and that a warning should be issued. After a hearing notice was mailed to the claimant's last-known address of record, a telephone hearing was held on September 23, 2004. The claimant did participate.

FINDINGS OF FACT:

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds that: The claimant filed for unemployment insurance benefits on August 15, 2004. The claimant's testimony that appropriate in-person work searches were made is credible. During the week ending August 21, 2004, she filed a telephone claim. She pushed a button in error resulting in incorrect telephone response data.

REASONING AND CONCLUSIONS OF LAW:

The issue is whether the claimant is actively and earnestly seeking work.

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The claimant did make two in-person contacts for the week ending August 21, 2004. Making two in-person contacts is evidence of earnestly and actively seeking work. The evidence does support a finding that the claimant was earnestly and actively seeking work and, therefore, the warning shall be rescinded.

DECISION:

The representative's decision dated August 24, 2004, (reference 01) is reversed. The warning shall be rescinded.
