ADMINISTRATIVE LAW JUDGE DECISION

IOWA WORKFORCE
DEVELOPMENT DEPARTMENT

OC: 05/08/22

Claimant: Appellant (1)

Iowa Code § 96.4(3) - Ability to and Availability for Work

Iowa Admin. Code r. 871-24.2(1)(e) - Able & Available - Report as Directed by Department

Iowa Admin. Code r. 871-24.23(11) - Disqualifications - A&A - Report as Directed

Iowa Admin. Code r. 871-24.3 - Able & Available - Identity Verification

# **STATEMENT OF THE CASE:**

Ms. Elaine Schulmeister, claimant/appellant, filed an appeal from the June 17, 2022, (reference 02) unemployment insurance decision that allowed benefits effective 06/12/22, based upon a determination that claimant initially failed to provide verification of her identity but subsequently did so. Claimant was notified of the hearing. A telephone hearing was held on August 5, 2022, at 10:00AM. Claimant personally participated. The department did not participate. Claimant waived the defect in the notice of hearing in that lowa Admin. Code r. 871-24.23(11) was did not include the last part "1)" so it only read as 871-24.23(1 but it was listed as an issue. By waiving the defect, that code section is now added fully to the notice of hearing and will be addressed in this appeal.

### ISSUE:

Is the claimant able to and available for work?
Did the claimant fail to provide verification of his identity?
Did the claimant fail to report as directed by a department representative?

#### FINDINGS OF FACT:

Having heard the testimony and considered the evidence in the record, the undersigned finds:

Claimant filed a claim for unemployment insurance benefits effective 05/08/22. Claimant was unable to verify her identity through the online verification process. Therefore, on the claim confirmation page, a notice appeared stating claimant was required to provide qualifying proof of identity to the agency in order to prevent benefits from being delayed and the claim from being canceled. The notification would have looked similar to the graphic below:

The only difference between the graphic above and the message claimant would have received is that claimant would have had a different date to provide the required documents.

Additionally, on May 16, 2022, the agency mailed claimant a letter also stating that if claimant was unable to provide proof of identity by May 22, 2022, "benefits may be delayed or denied."

Claimant did not provide proof of identity until June 14, 2022. The claimant's unemployment insurance claim was unlocked at that time. The agency found claimant eligible for benefits effective June 12, 2022, as the requested identity verification documents were provided.

Claimant asserts she did not receive the May 16, 2022, letter and only noticed the popup screen regarding identity when filing for her weekly claim for benefits in June 2022.

#### **REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes claimant failed to provide timely verification of identity.

Iowa Code section 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work...

Iowa Admin. Code r. 871-24.3 provides:

A claim will not become valid until the identity of the claimant has been verified by the department.

- (1) Upon the filing of a claim, notification shall be provided to the claimant if the claimant's identity was not verified.
- (2) If the agency is unable to verify the claimant's identity in the claim application, the claimant must provide approved documents. Approved documents must include at least one document containing a social security number. The

department shall determine the approved documents required to verify identity. The list of approved documents can be found at the nearest local workforce center or online.

- (3) The claimant's identity will not be considered verified until approved documents have been provided. The claim shall remain locked from issuance of benefits until the claimant has provided the approved documents to verify identity.
- (4) After filing a claim **application**, the claimant shall not be eligible for benefits for any week until approved documents are provided to verify identity.
- (5) Approved documents must be provided or postmarked by Saturday at 11:59 p.m. of the week in which the **approved** documentation is due, and the claim shall be unlocked for all weeks following the most recent effective date of the claim application.
- (6) If required documents are provided in any subsequent weeks following the due date, the claimant shall be eligible, provided there are no other outstanding issues with the claim, as of the Sunday of the week the claimant's identity was verified.

Iowa Admin. Code r. 871-24.2(1)e provides:

- e. In order to maintain continuing eligibility for benefits during any continuous period of unemployment, an individual shall report as directed to do so by an authorized representative of the department. If the individual has moved to another locality, the individual may register and report in person at a workforce development center at the time previously specified for the reporting.
- (1) An individual who files a weekly continued claim will have the benefit payment automatically deposited weekly in the individual's account at a financial institution or on a selected debit card.
- (2) In order for an individual to receive payment by direct deposit, the individual must provide the department with the appropriate bank routing code number and a checking or savings account number.
- (3) The department retains the ultimate authority to choose the method of reporting and payment.

Iowa Admin. Code r. 871-24.23(11) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(11) Failure to report as directed to workforce development in response to the notice which was mailed to the claimant will result in the claimant being deemed not to meet the availability requirements.

In this case, lowa Workforce Development notified claimant that identity verification needed to be provided by May 22, 2022, in order to prevent benefits from delayed or the claim being cancelled. Claimant did not provide the requested documentation until June 14, 2022. There is no evidence in the record indicating claimant's failure to provide the required documentation in a timely manner was due to agency error. Claimant was alerted when filing for benefits and a letter was sent. She did not notice the popup when filing for claims until June 2022, not noticing the ones in May 2022.

The administrative law judge finds claimant was not available for work until June 12, 2022, the week the required identity verification documents were provided to the agency.

Therefore, benefits are withheld from his claim date of May 8, 2022, through June 11, 2022. Benefits are allowed effective June 11, 2022, provided claimant is otherwise eligible.

#### **DECISION:**

The June 17, 2022, (reference 02) unemployment insurance decision is **AFFIRMED**. Claimant was not available for work during the period May 8, 2022, through June 11, 2022, as she failed to provide verification of identity as required. Benefits are allowed effective June 12, 2022, provided claimant is otherwise eligible.
