871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

The employer appealed a representative's April 3, 2012 determination (reference 09) that concluded the claimant was qualified to receive benefits and the employer's account was subject to charge because the claimant had been discharged for non-disqualifying reasons. A hearing was scheduled for May 2, 2011. On May 1, the employer's representative, TALX, faxed a request to withdraw the employer's appeal. Based on the employer's withdrawal request, the administrative record, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

ISSUE:

At issue in this matter is whether the appellant herein should be allowed to withdraw its appeal.

FINDINGS OF FACT:

The employer withdrew its appeal from the representative's April 3, 2012 determination. The employer's withdrawal request was faxed to the Appeals Section on May 1, 2012.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The employer's request to withdraw its appeal is approved.

DECISION:

The representative's April 3, 2012 determination (reference 09) is affirmed. The employer's withdrawal request is approved. The claimant remains qualified to receive benefits as of February 13, 2012, provided she meets all other eligibility requirements. The employer's account is subject to charge.
