(Decision Dated & Mailed)

Iowa Code section 96.4(3) - Able and Available

STATEMENT OF THE CASE:

Claimant filed a timely appeal from the May 3, 2006, reference 05, decision that denied benefits. After due notice was issued, a hearing was held on May 22, 2006. Claimant participated. Employer did not participate.

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant was treated for a work related aggravation of a preexisting umbilical hernia on April 3, 2006, and was released with lifting restrictions of 15 pounds on the same date. He was released to full duty as of April 17, 2006.

REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes that the claimant is able to work and available for work

Iowa Code section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

871 IAC 24.23(1), (35) provides:

Availability disqualifications. The following are reasons for a claimant being disqualified for being unavailable for work.

(1) An individual who is ill and presently not able to perform work due to illness.

(35) Where the claimant is not able to work and is under the care of a medical practitioner and has not been released as being able to work.

Inasmuch as the preexisting injury was aggravated by his work duties and the treating physician has released the claimant to return to work both with and without restrictions within a 15-day period, the claimant has established his ability to work.

DECISION:

The representative's decision dated May 3, 2006, reference 05, is reversed. The claimant is able to work and available for work effective April 2, 2006. Benefits are allowed, provided the claimant is otherwise eligible.
