871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

An appeal was filed from a representative's decision dated October 10, 2013 (reference 02). A hearing was scheduled for November 3, 2013. Prior to the hearing being held, the appellant requested the appeal be withdrawn. Therefore, there is no need for a hearing. Based on a review of the administrative file and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

ISSUE:

Should the appellant's request to withdraw the appeal be granted?

FINDINGS OF FACT:

A request has been made on behalf of Focus Services, L.L.C. (employer), the appealing party, to withdraw the appeal. The request is submitted because there has been a subsequent decision issued using a different employer account number and a different separation date. That decision, issued on October 18, 2013 (reference 03), concluded that there was a disqualifying separation from employment on September 11, 2013, and the claimant has not appealed that decision.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

- (1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The request of the appealing party to withdraw the appeal should be approved.

DECISION:

The decision of the representative dated October 10, 2013 (reference 02) is affirmed. The request of the appealing party to withdraw the appeal is approved, and there will be no hearing. The decision of the representative shall stand and remain in full force and effect. The claimant would be entitled to receive unemployment insurance benefits if she was otherwise eligible. She is not currently otherwise eligible.
