**ADMINISTRATIVE LAW JUDGE
DECISION**

OC: 07/19/20
Claimant: Appellant (1)

Iowa Code § 96.3(7) - Recovery of Benefit Overpayment

STATEMENT OF THE CASE:

On September 22, 2021, Derek Austin (claimant/appellant) appealed the decision dated September 20, 2021 (reference 02) that concluded the claimant was overpaid unemployment insurance benefits in the amount of \$3,555.00 for the 15-week period between July 19 and October 31, 2020 as a result of a decision denying benefits.

A telephone hearing was held on November 19, 2021, pursuant to due notice. Claimant participated personally. The administrative law judge took official notice of the administrative record.

ISSUE:

Was the claimant overpaid regular, state unemployment insurance benefits?

FINDINGS OF FACT:

Having reviewed all of the evidence in the record, the administrative law judge finds:

The administrative record shows claimant received regular, state unemployment insurance benefits in the amount of \$237.00 per week for a total of 15 weeks, from the benefit week ending July 25, 2020 and continuing through the benefit week ending October 31, 2020. The total amount of regular, state unemployment insurance benefits paid during this period was \$3,555.00.

Claimant was subsequently determined to be disqualified from benefits during that period in a decision dated November 10, 2020. That decision has now been modified to find claimant is not disqualified from benefits but remains ineligible for benefits during the weeks filed. See 21A-UI-21187-AD-T.

REASONING AND CONCLUSIONS OF LAW:

For the reasons set forth below, the decision dated September 20, 2021 (reference 02) that concluded the claimant was overpaid unemployment insurance benefits in the amount of

\$3,555.00 for the 15-week period between July 19 and October 31, 2020 as a result of a decision denying benefits is AFFIRMED.

Iowa Code section 96.3(7) provides, in pertinent part:

7. Recovery of overpayment of benefits.

a. If an individual receives benefits for which the individual is subsequently determined to be ineligible, even though the individual acts in good faith and is not otherwise at fault, the benefits shall be recovered. The department in its discretion may recover the overpayment of benefits either by having a sum equal to the overpayment deducted from any future benefits payable to the individual or by having the individual pay to the department a sum equal to the overpayment.

b. (1) (a) If the department determines that an overpayment has been made, the charge for the overpayment against the employer's account shall be removed and the account shall be credited with an amount equal to the overpayment from the unemployment compensation trust fund and this credit shall include both contributory and reimbursable employers, notwithstanding section 96.8, subsection 5.

The administrative record shows claimant received regular, state unemployment insurance benefits in the amount of \$237.00 per week for a total of 15 weeks, from the benefit week ending July 25, 2020 and continuing through the benefit week ending October 31, 2020. The total amount of regular, state unemployment insurance benefits paid during this period was \$3,555.00.

Claimant was subsequently determined to be disqualified from benefits during that period in a decision dated November 10, 2020. That decision has now been modified to find claimant is not disqualified from benefits but remains ineligible for benefits during the weeks filed. See 21A-UI-21187-AD-T.

Because claimant received regular, state unemployment insurance benefits totaling \$3,555.00 for which he was later deemed ineligible he has been overpaid in that amount.

DECISION:

The decision dated September 20, 2021 (reference 02) that concluded the claimant was overpaid unemployment insurance benefits in the amount of \$3,555.00 for the 15-week period between July 19 and October 31, 2020 as a result of a decision denying benefits is **AFFIRMED**.
