HEARING NUMBER: 10B-UI-14765

EMPLOYMENT APPEAL BOARD
DECISION

SECTION: 10A.601 Employment Appeal Board Review

DECISION

FINDINGS OF FACT:

A hearing in the above matter was held October 29, 2009. The administrative law judge's decision was issued November 18, 2009. The administrative law judge's decision has been appealed to the Employment Appeal Board. The recording of the hearing before the administrative law judge cannot be transcribed due to numerous inaudibles and the fact that the claimant's spoken word is difficult to understand because of a heavy accent.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code section 10A.601(4) (2009) provides:

5. Appeal board review. The appeal board may on its own motion affirm, modify, or set aside any decision of an administrative law judge on the basis of the evidence previously submitted in such case, or direct the taking of additional evidence, or may permit any of the parties to such decision to initiate further appeals before it. The appeal board shall permit such further appeal by any of the parties interested in a decision of an administrative law judge and by the representative whose decision has been overruled or modified by the administrative law judge. The appeal board shall review the case pursuant to rules adopted by the appeal board. The appeal board shall promptly notify the interested parties of its findings and decision.

Since the record of the hearing before the administrative law judge cannot be reviewed because the voice file contains too many inaudibles and is largely unintelligible, the Employment Appeal Board cannot review the entire proceeding. This matter must be remanded for a new hearing.

DECISION:

The decision of the administrative law judge dated November 18, 2009, is not vacated at this time. This matter is remanded to an administrative law judge in the Workforce Development Center, Appeals Section to schedule and hold a new hearing. The Board hereby retains jurisdiction over this appeal pending the commencement of the new hearing. If, at any time prior to the commencement of the new hearing, a recording containing audible testimony of the original hearing is located by the Department then the new hearing should not be held. In the event that a complete recording of the original hearing is so located, the Board shall be notified of this by the Department. The Board will then proceed to review the original decision based upon the original record and pursuant to the original appeal to the Board. If the complete recording of the original hearing is not located prior to the commencement of the new hearing, then the administrative law judge shall conduct the new hearing following due notice. After the new hearing, the administrative law judge shall issue a decision, which provides the parties appeal rights.

The Employment Appeal Board would also direct the claimant, a person whose first language is Southern Sudanese Arabic, to contact the Iowa Workforce Development Center, Claims Section, to inquire about the use of an interpreter to assist him in the next hearing.
