871 IAC 26.8(1) - Withdrawal of Appeal

STATEMENT OF THE CASE:

The claimant appealed a representative's February 24, 2010 determination (reference 01) that concluded she was not eligible to receive benefits as of February 14, 2010 because she had not earned \$250 since February 15, 2009. A hearing was scheduled on April 26, 2011. Prior to the scheduled hearing, the claimant made a request to withdraw her appeal. Based on the claimant's withdrawal request, the administrative record, and the law, the administrative law judge enters the following findings of fact, reasoning and conclusions of law, and decision.

FINDINGS OF FACT:

The claimant verified on April 26, 2011, that she wanted to withdraw her appeal from a representative's February 24, 2010 determination. The claimant's withdrawal request was verified on April 26, 2011.

REASONING AND CONCLUSIONS OF LAW:

871 IAC 26.8(1) provides:

(1) An appeal may be withdrawn at any time prior to the issuance of a decision upon the request of the appellant and with the approval of the presiding officer to whom the case is assigned. Requests for withdrawal may be made in writing or orally, provided the oral request is tape-recorded by the presiding officer.

The claimant's request to withdraw her appeal is approved.

A representative's April 8, 2011 determination modified the February 24, 2010 determination by holding the claimant eligible to receive regular benefits as of February 14, 2010, because she had earned \$250 between February 15, 2009 and February 14, 2010.

DECISION:

The claimant withdrew her appeal from a representative's February 24, 2010 determination (reference 01). The February 24, 2010 determination was modified or amended by a representative's April 8, 2011 determination (reference 07) that held the claimant eligible to receive regular benefits as of February 14, 2010, because she had earned \$250 in wages from insured employment since February 15, 2009.
