**OC: 05/03/09**

**Claimant: Appellant (1)**

871 IAC 24.19(1) – Determination and Review of Benefit Rights

871 IAC 24.28(6-8) – Prior Adjudication

**STATEMENT OF THE CASE:**

Dale Davis (claimant) filed an appeal from the June 15, 2009, reference 01, decision that denied benefits based upon a denial decision in a prior benefit year for the same separation from Temp Associates (employer). After hearing notices were mailed to the parties' last-known addresses of record, a telephone hearing was scheduled for June 30, 2009. The claimant participated personally. The employer participated by Nancy Mullaney, Manager.

**ISSUE:**

The issue is whether the claimant was separated from employment for any disqualifying reason.

**FINDINGS OF FACT:**

The administrative law judge, having heard the testimony and considered all of the evidence in the record, finds that: The decision at issue has been adjudicated in a prior claim year and that decision has become final.

**REASONING AND CONCLUSIONS OF LAW:**

For the reasons that follow, the administrative law judge concludes the decision at issue has been adjudicated in a prior claim year and that decision has become final.

871 IAC 24.28(6) provides:

Voluntary quit requalifications and previously adjudicated voluntary quit issues.

(6) The claimant voluntarily left employment. However, there shall be no disqualification under Iowa Code section 96.5(1) if a decision on this same separation has been made on a prior claim by a representative of the department and such decision has become final.

871IAC 24.19(1) provides:

Claims for benefits shall be promptly determined by the department on the basis of such facts as it may obtain. Notice of such determination shall be promptly given to each claimant and to any employer whose employment relationship with the claimant, or the claimant's separation therefrom, involves actual or potential disqualifying issues relevant to the determination. . . . The notice of appeal rights shall state clearly the place and manner for taking an appeal from the determination and the period within which an appeal may be taken. Unless the claimant or any other such party entitled to notice, within ten days after such notification was mailed to such claimant's last-known address, files with the department a written request for a review of or an appeal from such determination, such determination shall be final.

The issue presented was resolved in a prior claim year (original claim date May 4, 2008) as the representative's decision dated June 12, 2009, reference 02. The current decision referring to the prior claim year decision is affirmed.

**DECISION:**

The June 15, 2009, reference 01, decision is affirmed. The prior decision on the separation remains in effect.
