(Decision Dated & Mailed)

Section 96.4-3 – Whether claimant is able and available for work
Section 96.4-3 – Whether claimant is still employed at same hours and wages

STATEMENT OF THE CASE:

An appeal was filed on behalf KDMM Enterprises Inc., operating Tuffy Auto Service Center from an unemployment insurance decision dated February 24, 2004, reference 02. The claimant was still employed part-time or working on call whenever work was available. The claimant was found able and available for work and benefits were allowed effective January 25, 2004 provided he met all other eligibility requirements.

A consolidated telephone conference hearing was scheduled and held on April 1, 2004. Kerry S. Hayes participated. Ken Moomey, Owner participated on behalf of KDMM Enterprises, LLC.

Official notice was taken of the unemployment insurance decision bearing, reference 02, together with the pages attached thereto (6 pages in all).

FINDINGS OF FACT:

Ken Moomey, Owner, of KDMM Enterprises, LLC, employed Kerry S. Hayes as a part-time auto service technician on or about November 19, 2003. The claimant worked on a part-time basis until on or about December 8, 2003 when he was placed full time by the Owner Ken Moomey. The claimant worked approximately seven weeks as a full time employee and on or about January 26, 2004, the claimant was reduced to a part-time employee. Once again because of his alleged poor job performance and attendance record.

The claimant continued in this position as a part-time employee until February 13, 2004, when he was discharged.

The last incident, which triggered the discharge, was discovered on or about February 12, 2004.

REASONING AND CONCLUSIONS OF LAW:

Iowa Code Section 96.4-3 provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.19, subsection 38, paragraph "b", unnumbered paragraph 1, or temporarily unemployed as defined in section 96.19, subsection 38, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

The evidence in the record clearly establishes that the claimant remained in his employment as a part-time employee or full time employee throughout his tenure of employment up to and including February 13, 2004. The claimant was increased to a full time employee for approximately seven weeks and then placed back in his part-time job by the employer.

The administrative law judge concludes that the claimant has clearly established that he has been able and available for work throughout the period of his employment with KDMM Enterprises, LLC, which began on or about November 19, 2003 and ended February 13, 2004. The administrative law judge concludes that Kerry S. Hayes is able and available for work within the intent and meaning of Iowa Code Section 96.4-3 and the foregoing sections of the Iowa Administrative Code.

The record indicates there has been a termination of employment on February 13, 2004. This matter therefore should be remanded to the Unemployment Insurance Services Division for inquiry with respect to the nature of the claimant's termination of employment and such other and further determinations as may be required.

DECISION:

The unemployment insurance decision dated February 24, 2004, reference 02, is affirmed. Kerry S. Hayes is able and available for work and still employed part-time or working on call effectively on January 25, 2004.

This matter is remanded to the Unemployment Insurance Services Division for inquiry with respect to the nature of the claimant's termination of employment and such other and further determinations as may be required.
