**ADMINISTRATIVE LAW JUDGE  
DECISION**

**OC: 05/21/23**  
**Claimant: Appellant (2)**

Iowa Code § 96.4(3) – Able to and Available for Work

**STATEMENT OF THE CASE:**

On July 27, 2023, claimant Raimundo S. Deberry filed an appeal from the July 24, 2023 (reference 09) unemployment insurance decision that found claimant was not available for work due to his status as a full-time student. The parties were properly notified of the hearing. A telephonic hearing was held at 10:00 a.m. on Monday, August 14, 2023. Claimant Raimundo S. Deberry personally participated. Employer Raine Recruiting LLC participated through Elliott Wall, Unemployment Team Lead with Employer Solutions Staffing Group (“ESSG”). After the hearing, and per the administrative law judge’s instruction, Wall submitted email correspondence between Raine Recruiting LLC and ESSG indicating Raine Recruiting LLC wanted ESSG to participate in the hearing on its behalf. Claimant’s Exhibits A and B were received and admitted into the record without objection. The administrative law judge took official notice of the administrative record.

**ISSUE:**

Was the claimant able to and available for work?

**FINDINGS OF FACT:**

Having reviewed all of the evidence in the record, the administrative law judge finds: Claimant last worked for employer ESSG in early 2023. Raine Recruiting LLC is a recruiter who works directly with ESSG. They are not a direct employer of claimant’s and are not listed in his base period of employment.

Claimant opened a claim for unemployment insurance benefits effective May 21, 2023. He was not a full-time student at the time. Claimant had enrolled in one course, which was an online theory course he needed to complete as a prerequisite to beginning the CDL program at Des Moines Area Community College. He completed this course over fifteen hours spanning two benefit weeks, between July 6 and July 12. Claimant remained available for work while taking this course, and he was completing job searches as required.

Claimant is now enrolled in school full-time and has been approved for “Department Approved Training.”

## REASONING AND CONCLUSIONS OF LAW:

For the reasons that follow, the administrative law judge concludes claimant is available for work.

Iowa Code § 96.4(3) provides:

An unemployed individual shall be eligible to receive benefits with respect to any week only if the department finds that:

3. The individual is able to work, is available for work, and is earnestly and actively seeking work. This subsection is waived if the individual is deemed partially unemployed, while employed at the individual's regular job, as defined in section 96.1A, subsection 37", paragraph "b", subparagraph (1), or temporarily unemployed as defined in section 96.1A, subsection 37, paragraph "c". The work search requirements of this subsection and the disqualification requirement for failure to apply for, or to accept suitable work of section 96.5, subsection 3 are waived if the individual is not disqualified for benefits under section 96.5, subsection 1, paragraph "h".

Iowa Admin. Code r. 871-24.22(2) provides:

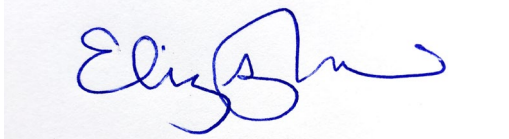

Benefits eligibility conditions. For an individual to be eligible to receive benefits the department must find that the individual is able to work, available for work, and earnestly and actively seeking work. The individual bears the burden of establishing that the individual is able to work, available for work, and earnestly and actively seeking work.

(2) Available for work. The availability requirement is satisfied when an individual is willing, able, and ready to accept suitable work which the individual does not have good cause to refuse, that is, the individual is genuinely attached to the labor market. Since, under unemployment insurance laws, it is the availability of an individual that is required to be tested, the labor market must be described in terms of the individual. A labor market for an individual means a market for the type of service which the individual offers in the geographical area in which the individual offers the service. Market in that sense does not mean that job vacancies must exist; the purpose of unemployment insurance is to compensate for lack of job vacancies. It means only that the type of services which an individual is offering is generally performed in the geographical area in which the individual is offering the services.

For an unemployed individual to be eligible to receive benefits, he must be able to work, available for work, and actively seeking work as required by the unemployment insurance law. Iowa Code § 96.4(3). The burden is on the claimant to establish that she is able and available for work within the meaning of the statute. Iowa Code § 96.6(2); Iowa Admin. Code r. 871-24.22. In this case, claimant provided unrefuted testimony that he has been able to work and available for work since filing his claim for benefits. The course he took while filing for benefits was an online course that took a limited amount of time to complete, allowing him to engage in both coursework and an active job search. Accordingly, benefits are allowed.

**DECISION:**

The July 24, 2023 (reference 09) unemployment insurance decision is reversed. Claimant has established he is able to work and available for work. Benefits are allowed, provided he is otherwise eligible.
